

Veterinary Village & ICSB-WI 2017 Breeders Consortium

Dr. Marty Greer, Lindsay, and Carrie, would like to introduce you to our Breeders Consortium. Dr. Greer and her staff are the trusted source for canine reproductive services in Wisconsin and beyond. In the 35 plus years Dr. Greer has been in practice, she has worked extensively with breeders. Additionally, she breeds and shows Pembroke Welsh Corgis and Danish-Swedish Farmdogs. Drs. Dan Griffiths, Stephanie Moore, Curtis Zella, and Jessica Kowaleski join her in supporting breeders with reproductive services as well as performance-assisting veterinary care, advanced dental care, and general pet care and surgery. Our entire staff is trained to care for you with your breeding plans. Veterinary Village and International Canine Semen Bank-WI has developed their Breeders Consortium to support our Breeder Clients. We want to show our appreciation for your patronage of our services.

Membership in the Breeder's Consortium is only \$100 per year to our qualified Breeder Clients.

Membership has its privileges. Membership benefits include:

1. A 10% discount on canine reproductive services and most veterinary services and products. A few exceptions are made.
2. Veterinary care including reproductive services after hours, until 9 PM Monday thru Thursday, and until 6 PM on weekends, as possible by staff availability.
3. Telephone consultations regarding your upcoming breeding plans and other reproduction questions.
4. Annual Breeder Client education and networking events at no charge to our qualified Breeder Clients.
5. A \$50.00 voucher for use at our clinic for your puppy buyers will be provided for each puppy at their initial litter examination after 6 weeks of age.
6. A listing of your breeds available for sale on our website, if authorized by you.
7. Special Breeder Client Health Clinics.
8. Presentations by our Doctors at your breed club events, at no or reduced charge.
9. Use of our Veterinary Clinic for your breed club events at no charge.
10. A reduced fee for Pre-breeding Exams and Consultations.
11. Waived office visit fee at the pregnancy ultrasound and/or puppy count x-rays if this bitch had a paid Pre-breeding exam and Consultation fee at this heat cycle.

To qualify, we ask you to complete the following information.

Additionally, to earn and retain your 10% discount on qualified services, we require that your account balance is paid in full at each visit. If your account balance is not maintained at \$0, you will lose your 10% discount. Your 10% discount may be reinstated if approved by our Practice Manager, upon payment of the \$100, paying your account in full and maintaining a zero account balance. Reinstitution is not assured by merely bringing your account balance to \$0 –your request will be evaluated by our Manager.
